Does it cost anything?

Our service is completely free. We are able to provide a totally free service because CAP is a charity and receives donations from churches and individuals who want to help people.

Will my creditors cooperate with you?

Yes. We have worked with over 1,000 companies within the finance industry and we are well respected. This means that councils, utilities and mortgage companies work with us because they have seen the results of our involvement. They know we offer fair repayments based on what you can afford.

Is CAP just for Christians?

No. CAP will help anyone regardless of their religious beliefs. We are committed to our service being available to all individuals regardless of age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation. Will take appropriate measures to monitor this.

If you are in severe debt, we can walk you through insolvency options, such as petitioning for bankruptcy and helping you

With help from CAP, I sat down and looked at how to manage my everyday life. Now I no longer get up thinking about debt every day and wondering whether I can afford to feed my children.

With CAP, you've got food in your cupboard, all your bills are paid, nobody's phoning you asking for money. It's such a weight off your shoulders. You're not a slave to debt - and that's priceless.

When CAP is involved, they don't just leave you. Even when you're debt free, they're still there for you. They actually get to know you. It has turned my life around.
